

Plat Maps

[Official Records \(sarasotaclerk.com\)](http://sarasotaclerk.com)

As an example:

Select Plats & Condo in Blue Banner
Enter Title: Casa di Amici

Document Type: Just Condominium and Subdivision Should be checked.

Hit Search

Info will show in Search Results
Click on View Image.
This will open the plat maps.

You can then clear the search and enter any of the subdivisions. They will show no content as they own no common property.

You can do the same with Venetia and view all the plat maps
