License plate: State:_____ Plate ID: _____

On July 1, 2010, the Florida Legislation enacted a new law governing the publication of owner personal information such as phone numbers, email addresses and alternate addresses. By entering your email address below, you are authorizing Venetia Community Association to use your email address for important information. We will never share your email with another entity.

Email Address: _____

You will be notified by email when your business name and mobile number has been added to our Venetia gate directory.

We do not want realtors or anyone else to post a gate code on the call box for just anyone to enter our community.

When you want to show a property, you can post a sign on the call box or on your realtor sign, instructing potential buyers to look up your listing and place a call to you from the listing in the directory. When you answer the call on your mobile phone, you should ascertain that the person calling wants to view the property and then simply press the number nine on your mobile phone to automatically open the gate that one time. But the person calling you must call from the call box, not their mobile phone.

Thank you for your cooperation in respecting our residents' privacy, which is why we live in a gated community.
