

Venetia Residents,

Venetia is offering more Social Events. The attendance to these events has ranged from 50 - 225 residents. There are a large number of people that are new to Venetia. It would be helpful to them and possibly to you, for each of us to wear Name Badges to events. This was discussed at our last Social Committee meeting.

This is optional, but a suggestion by the Social Committee. It will allow better communication with each other and make it easier for both the new and longtime residents.
