

An individual has been soliciting home repair services in Venetia. When confronted by owners informing him we do not allow soliciting in Venetia, he responds that he got "special permission" from Norm Hotz.

Special permission for soliciting has never been granted.

If this or any solicitor comes to your door or stops you on the street, please get what information you can and contact me at 941-408-3612 or [norman.hotz@comcast.net](mailto:norman.hotz@comcast.net)
